

Skogh, Inga-Britt

Invald 2023-07-04

Professor i Teknikens didaktik vid Strömstad akademi.

Professor of Technology Education at Strömstad Academy.

Akademiskt område:

Pedagogik, Filosofi, Didaktik.

Personlig beskrivning:

Inga-Britt är född i Stockholm 1950. Inga-Britt har arbetat på olika nivåer i det svenska utbildningssystemet. Ursprungligen som småskollärare, senare som lärarutbildare i skolämnet teknik vid Lärarhögskolan i Stockholm och vid Stockholms universitet (SU). Hon utsågs till docent i Pedagogik vid SU 2009 och till professor i Teknikens didaktik vid KTH 2011.

Specialkunskaper:

Inga-Britt har varit föreståndare för forskarskolan Teknikutbildning för framtiden (TUFF) och forskarskolan Kvalitet, effektivitet och status i teknikutbildningen (QUEST), båda vid KTH. Hon var 2013–2015 ledamot av Vetenskapsrådets utbildningsvetenskapliga kommitté (UVK) och 2015–2018 ordförande i Vetenskapsrådets bedömaregrupp för konferensbidrag.

Inga-Britt är sändaramatör (A-certifikat) med signalen SMONU1.

English summary

Inga-Britt Skogh is Professor of Technology Education at Strömstad Academy.

Academic field: Education, Philosophy, Didactics.

Biography

Inga-Britt Skogh was born in Stockholm in 1950. Inga-Britt has worked at various levels in the Swedish education system - originally as a primary school teacher, later as a teacher educator in the subject of Technology at the Stockholm Institute of Education in Stockholm and at Stockholm University (SU). She was appointed Associate Professor (Docent) in Education at SU in 2009 and Professor of Technology Education at the Royal Institute of Technology (KTH) in 2011.

Expertise and Contributions

Inga-Britt has directed two national graduate schools in technology education: Technology Education for the Future (TUFF) and Quality, Efficiency and Status in Technology Education (QUEST), both hosted at KTH. From 2013 to 2015, she served as a member of the Swedish Research Council's Committee for Educational Sciences, and from 2015 to 2018, she chaired the Council's Committee for Conference Grants.

Additional Interests

Inga-Britt is an amateur radio operator with the callsign SMONUI.
